SUMMARY

Motivated MCA student at Manipal Institute of Technology with a strong interest in software development and problem-solving. Possess a solid foundation in Data Structures and Algorithms, C++, Java, and database concepts, along with experience building web applications. Enjoy learning new technologies, writing clean and efficient code, and continuously improving technical skills through coding practice and hands-on projects. Looking for an opportunity to contribute, learn from experienced developers, and grow as a Software Engineer.

EDUCATION

Manipal Institute of Technology, Udupi
Masters in Computer Applications - CGPA - 8.3

2025 – 2027
Udupi, Karnataka

Banasthali Vidyapith, Newai
Bachelors in Computer Applications - CGPA - 9.12

2022 – 2025
Newai, Rajasthan

COURSEWORK / SKILLS

- DSA
- Web Development
- DBMS
- Machine Learning
- OOP
- Operating Systems
- Computer Networks

TECHNICAL SKILLS

Languages: C++, JavaScript, SQL, Java

Technologies/Frameworks: HTML, CSS, Javascript, React.js, MongoDB, Express, Node.js, REST APIs, Bootstrap, Tailwind CSS, Pandas

Tools: Git, VS Code, GitHub

PROJECTS

LeetCode AI Helper

JavaScript, HTML, CSS, Manifest V3

- Built a Chrome extension that injects an AI assistant into LeetCode using DOM manipulation to extract problem title, difficulty and description.
- Enforced a rule-based hint engine with a chat interface and Chrome Storage support, designed for future Gemini/OpenAI integration.
- Designed an interactive chat-style interface with persistent API key storage using the Chrome Storage API and structured the project for future integration with Large Language Models (LLMs) such as Gemini and OpenAI.

AI Interview Preparation Platform

Node.js, Express, React, MongoDB, Gemini AI, Puppeteer

- Built a full-stack AI-powered interview preparation platform that analyzes a user's resume and job description to generate a personalized interview report and preparation roadmap.
- Integrated Google Gemini API with strict JSON schema validation using Zod, ensuring reliable structured output for technical questions, behavioral questions, skill gaps, and a day-wise study plan.
- Implemented resume parsing using pdf-parse and automated ATS-friendly resume PDF generation with Puppeteer; persisted structured reports in MongoDB using Mongoose.

CODING PLATFORMS

- LeetCode: **100+** Problems , 50 Days Badge (2026)
- GeeksforGeeks: **135+** Problems

EXTRACURRICULAR

- * NSS Volunteer – Completed a 2 year National Service Scheme program and received Government of India certification.
- * Class Representative – Coordinated communication between students and faculty.
- * College Fest Organizer – Managed volunteers and coordinated planning for college event.
